Things to Mention

- I have had full vaccination course COVID-19 Astra-Zeneca, Tetanus, Hepatitis A & B vaccinations (as well as other childhood immunisations).
- I have a current Enhanced DBS check on the update service.
- Since starting to learn to play the pianoforte in 2004, I have developed a particular interest in modern, solo jazz. I have also undertaken learning the drums, guitar, ukulele and mandolin.
- Between 2011 and 2016, I was a member of the Combined Cadet Force (CCF). I attended various camps and courses to improve communication, leadership and teamwork skills and earned the rank of Corporal in the Royal Air Force section.
- Due to the current pandemic, I have sought employment within social care and found this to be very rewarding. As such, I would like to broaden my experience within a different care setting so that I may train as an Occupational Therapist in the future.
